Dear **Partners:**

Greetings from Silliman University!

We are excited to extend a warm invitation to you for our upcoming upskilling sessions with the theme: "Upskilling, Knowledge Sharing, and Fostering a Responsible Digital Ecosystem." As in previous semesters, the list of upskilling sessions is designed to cater to faculty, staff, students, parents, and the wider community. These sessions will be delivered through various modalities, including Online via Zoom, In-person at Dr. Mariano C. Lao Innovation, Creation, Invention, and Outreach Laboratory, and Hybrid.

Upskilling Overview:

1. **Responsible Use of Technology** ⤑ Promote ethical and responsible use of technology in both personal and professional settings.
2. **Artificial Intelligence** ⤑ Anchored in the University's AI Integration Framework, specific guidelines related to content, assessment, and research will be introduced.
3. **Innovations** ⤑ Encourage innovative thinking and application in the curriculum such as micro-credentials and digital badging.

Kindly visit this link https://oursoul.su.edu.ph/gsc-portal for the list of scheduled upskilling sessions you want to join. We believe that by upskilling ourselves in these critical areas, we can collectively contribute to a more responsible and informed digital society.

Sincerely yours,

DAVE E. MARCIAL, Ph.D.
